Emergency actions

Put your family/whānau emergency Household Plan into action.

IF YOU ARE SAFE AT HOME

If life is at risk dial 111.

IF YOU ARE UNSAFE AT HOME

Stay at home.

Use your emergency supplies.

Stay informed through official sources:

- Auckland Emergency Management   
- National Emergency Management Agency   
- Radio stations (RNZ, Newstalk, The Hits, MoreFM)
- Met Service   & app.
- GeoNet   & app.

Check on your neighbours and others nearby.

Stay connected to your whānau/family and friends.

Use text or social media, keep phones lines clear for people who need urgent assistance.

Take your grab bag.

Use your evacuation routes.

If possible, stay with whānau/family or friends who are safe or go to your closest Community Emergency Hub/Civil Defence Centre. Check radio stations or Auckland Emergency Management's website/social media to see what locations are open. Telephone language interpreters are available at Civil Defence Centres.

Do not wait for emergency services to tell you to evacuate.

Interested in volunteering during an emergency?

Reach out to your local Community Emergency Hub or go to Auckland Emergency Management's website for volunteering opportunities.

Get ready at home

Prepare a grab bag in case you have to evacuate

Make a grab bag

A **grab bag** is a small backpack with essential supplies that you can take with you if you need to evacuate. Have a grab bag ready for each member of your whānau/family.

Your grab bag should not be too heavy so you can carry it on foot for a considerable distance.

Items to include in your grab bag are:

- Trainers/walking shoes (put them on), a raincoat, a hat and warm clothes.
- Water and snacks.
- Hand sanitiser.
- Power bank and phone charger.
- Cash.
- Photo ID.
- Medications.
- A first aid kit.
- A torch.
- A battery radio.
- Pet food, medication and a carrier or leash.
- Baby items, such as food, formula and nappies.

***If you have asthma or a respiratory disorder, make sure your grab bag has masks and any medication required.**

Keep emergency supplies

Have emergency supplies for three days

Have a stock of **supplies** such as water, food, and essential items, for at least three days, that you can access in a hurry and find in the dark.

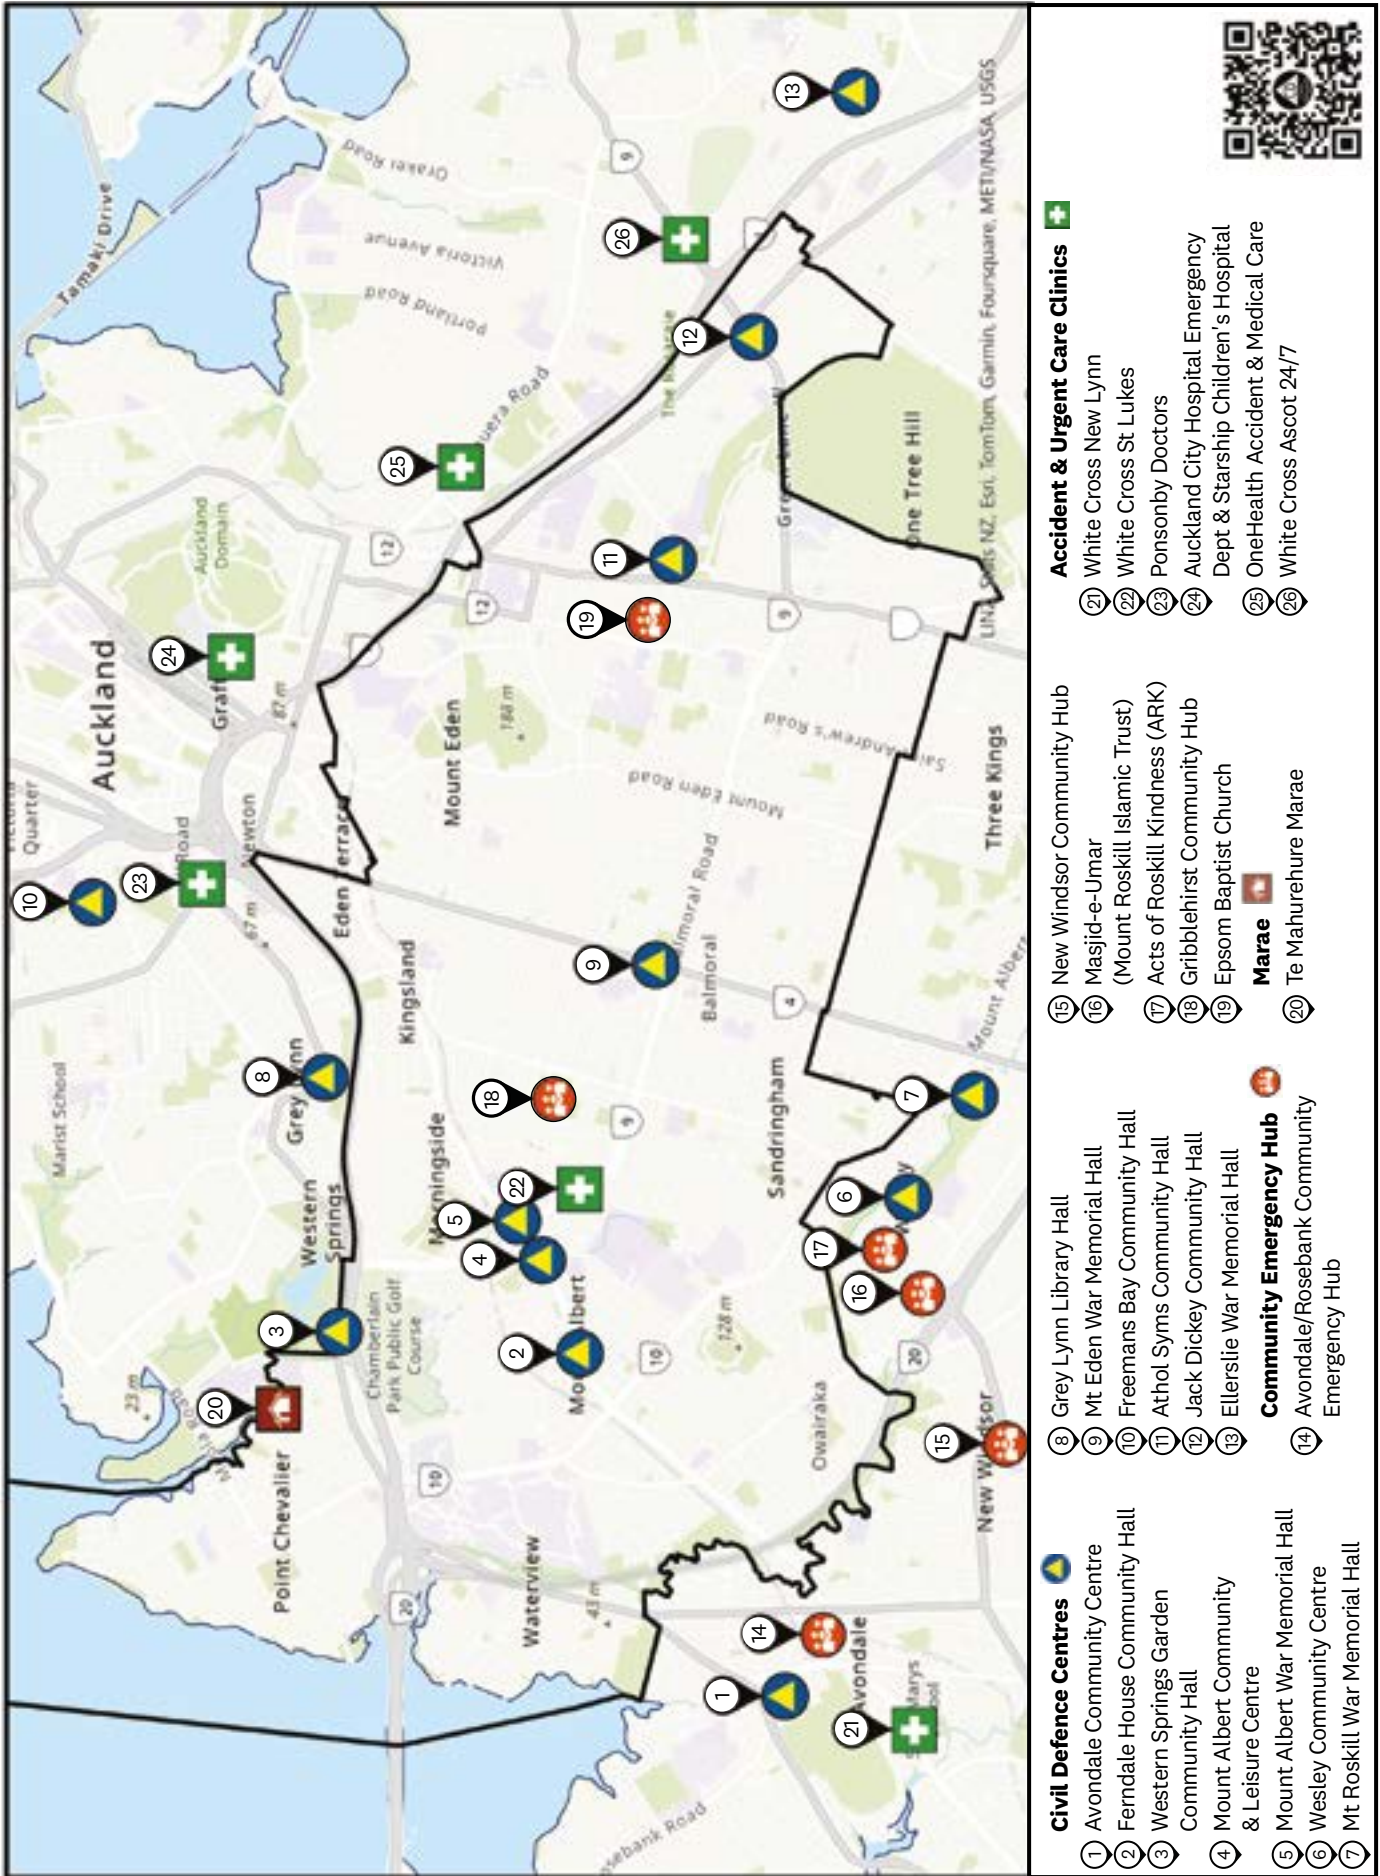

Emergency supplies to keep at your whare/home include:

- At least nine litres of water for each person in your household, enough for drinking and basic hygiene for 3 days.
- Long-lasting food that doesn't need cooking, especially for babies and young children.
- Spare gas for your camping stove or BBQ (never use these indoors).
- Toilet paper, plastic bags and large plastic buckets for an emergency toilet.
- Prescribed medications.
- Unscented bleach (often the cheaper supermarket brands), cloths, and rubber gloves for hygiene.
- Heavy-duty work gloves.
- Face mask.
- Torches and spare batteries. Use torches rather than candles to reduce the risk of fire.
- A power bank to charge electronic or mobile devices.
- A battery powered radio.
- A first aid kit.

Remember you can use your car to listen to the radio and charge devices.

If you need to evacuate

If possible, stay with whānau/family or friends who are safe. Then check which Civil Defence Centres or Community Emergency Hubs are open on social media channels, websites or radio.
